

RIVET CHANGE – BPW – 8X15

As a result of continuous improvement and our goal to be a OE/Premium supplier we`ve changed our rivet 8x15 for BPW application 420x180 and 420x200 analog BPW OE.

Benefit/Facts:

- Textar Rivet is 100% the same as OE BPW rivet
- Changing from fully-tubular to semi-tubular

Image old Rivet (85000600)

Image new Rivet (86002700)
