

Axial Rods Volkswagen Transporter T4 (F40)

To ensure the correct part identification for the T4 please follow our advice:

For T4 with hydraulic power steering

JAR558 can be used for both sides.

For T4 with manual steering rack

JAR550 has to be used for left side

JAR558 has to be used for right side

For right hand driven T4 with manual steering rack

JAR558 has to be used for left side

JAR550 has to be used for right side

JAR550

JAR558
